

Welcome to Pleasant View Church of the Brethren!

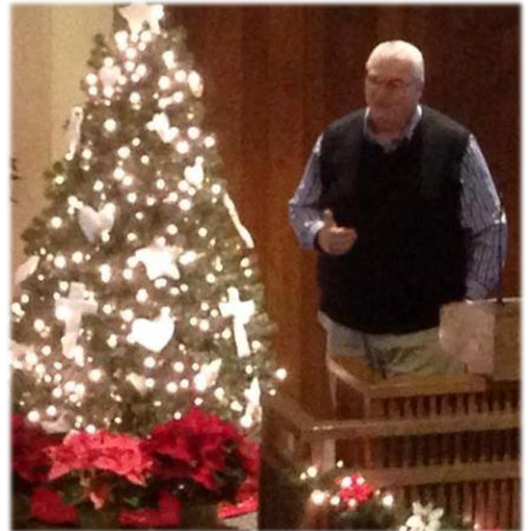

We are nearby! Located by the I-75 overpass at 4250 N. Thayer Road in a beautiful rural setting, our current building was built in 1925. Our church building was expanded in 2000 to provide a new handicap accessible entrance and restrooms. We incorporate organ and piano in our worship service and welcome the sharing of any other musical talents. Nursery is available for children four years and under, Kid's Church is held for children six to ten, and our youth group meets for middle and high school aged students.

We believe God loves everyone- and sent his own Son, Jesus who died to make peace between God and the people he loves- you and me!

We'd love for you to be our guest! Join us on Sundays at 9:30 a.m. for Sunday school and 10:30 for our Worship Service.
